REQUEST FOR SILENT AUCTION DONATIONS

* On Saturday November 23 we will host a reception to kick off celebrations for our 35-year anniversary. Set within the ArtStarts Gallery exhibit “Sound Play” this dynamic evening will include interactive art activities, music and entertainment, tasty food, beverages (beer, wine, and non-alcoholic), speakers from the art community, and a silent auction that will include donated items or services, and art (paintings, drawings, sculptures) from our BCATA members and artists.

* All funds raised at this event will be directed toward our ongoing efforts to educate the public about Art Therapy, professional development initiatives, and general operations.

* Contact Deb Broadhurst at 604-418-7000 or email vp@bcarttherapy.com for inquiries or to submit donations.
