**The First Nations concept of the
Medicine Wheel is an ancient model
used to promote a balanced use of your
physical, social, emotional, mental, and
spiritual gifts and challenges for
personal fulfillment of our life purpose.**

**We will use creative process and
developmental theory to identify areas
in our selves that can be balanced to
strengthen our commitment to personal
growth, wellness, and successful
resolution of life tasks.**

**Register Online: <http://bcarttherapy.com/bcata/events/current-events/>
\$ 50 BCATA or CATA members; \$ 65 non-members; \$ 30 students**
